The Lundy Model Framework for Feedback

Local Youth Transformation Pilot

*Adapted from Hub na nÓg: Young Voices in Decision-making

Space
Children and young people must be given safe, inclusive opportunities to shape decisions.

Voice
Children and young people must be facilitated to both form and express their views.

Audience
Children and young people's views must be listened to by a professional with power to make decisions.

Influence
Children and young people's views must be acted on as appropriate and the outcome fed back to them.
