Young Islington

Local Youth Transformation Pilot

Delivery and Impact Report

Provider Name:	
Reporting Period:	
Completed By:	
Date Submitted:	

Delivery Highlights

1. Please highlight a programme or project delivered during the last quarter, giving a summary of what took place and the outcomes achieved by young people as a result of participating in the programme.

Please ensure that the outcomes and indicators are explicitly linked to those set out in the QLIP MEL Framework **here**

2. What needs did the programme aim to address and how were the needs identified? (e.g. discussions with yp, surveys, engagement data, referrals, youth voice sessions, community intelligence)

Local Youth Transformation Pilot

3. How were young people involved in the design and/or implementation of the activity/program/project? (e.g. co-production workshops, feedback groups, peer leadership roles, youth forum etc.)

4. Reflecting on the impact of the programme, what learning or insights have you identified, and how will these be used to improve future delivery?

2. Performance Update

a. IYSS Report Summary

Contacts:	
Participants:	
Participation rate:	

b. Any identified trends and gaps in engagement (e.g., demographics, geography, need type):

Local Youth Transformation Pilot
